## We Got The Beats. You Bring The Bars.

Bars & Beats is back for 2019 and has some new flavor! We still have the live band, the poetry, and the singing...and we have added Black trivia and karaoke! This is an experience for the entire family to engage and enjoy our host location Toucan Louie's!! We promise you grooves, laughs, and good vibes!

Make sure to come July 27th to give your feedback on entertainment in the Historic West End via survey!

## You can pre-register to perform, play Black trivia, or be a vendor!

The City of Charlotte is planning for the year 2040. We say we want to share our voice and you will have the opportunity at **Bars & Beats from 6pm - 7pm**. The City of Charlotte has a board game...YES a board game on where Charlotte should invest in housing, jobs, and other things that make our city work! Come an engage with city planners and **SPEAK UP FOR OUR COMMUNITIES!**

Unlike a traditional board game, the goal isn't for one "winner" to emerge victorious. Instead, the goal is for the whole group of players to make the best use of space within Charlotte.

Our interns Jaire and Tamara enjoyed checking out the Growing Better Places board game!
