**Steve, making sure you saw the latest poll — we're tied.**

**We're neck and neck, and the momentum is on our side! With your help, we're going to win in just a few weeks.**

Steve -

We just got a new poll, and **our race is TIED**. Take a look:

**July 2019 NC-09 Poll**

Dan McCready:	<b>46%</b>
Dan Bishop:	<b>46%</b>

With Election Day only 49 days away, this thing could go either way.

I know what you're thinking: how come we aren't leading after all of our opponent's cheating last November? But remember, this is a red district that went for President Trump by almost 12 points. Being tied really means we're 12 points up.

Bottom line, it's going to be very close. That's why the special interests and DC insiders are going all-in for my opponent. Their attacks on our campaign are ramping up, and we have just a few weeks to fight back and do everything we can to defeat them.

In a race this close, every dollar is going to matter.

**[Will you chip in whatever you can afford to our campaign today? We'll put your contribution to work immediately reaching out to voters and making sure they hear our message.](#)**

This poll is proof that our grassroots team is carrying our message across the

district. It's your support that's gotten us this far, and it's your support that will get us across the finish line.

Let's go win this together!

Dan
