We're asking you to help us fight back

Steve -

It's been a big week in North Carolina's 9th District. Here's what happened:

FIRST: Mike Pence hosted a fundraiser to raise at least \$250,000 to spend against us.

THEN: Donald Trump came to North Carolina and held a rally with our opponent where they lied about Dan.

NOW: We are asking for your support to help us fight back against their special interest money and baseless attacks.

They called in Donald Trump and Mike Pence because they're getting desperate. Our opponent needs them and their special interest friends to prop up his campaign.

These attacks are just getting started, and we need to be ready for whatever they throw our way. That's why we're asking:

[Will you chip in \\$3 right now to our special election campaign? We would not ask if it wasn't important.](#)

With Donald Trump and Mike Pence going all-in against us, we know that the special interest attacks are on their way. If we're in this together, they'll be no match for our grassroots strength.
