NEW: \$2.5 million against us

Steve, DC Republicans are about to launch a full-scale attack against our campaign.

The National Republican Congressional Committee just announced a \$2.5 million ad buy in our district.

They saw that we're tied in the polls, and now they're flooding our district with their special interest money to try to buy this seat.

Here's what's really happening: They're scrambling like this because they're scared. They know we can win, and they're willing to do and spend whatever it takes to try to beat us.

With your help, we're not going to let them.

[Rush a \\$3 donation to our campaign today, and we'll put it to work immediately getting out our message and turning out voters.](#)

DONATE NOW

Your donation will help us fend off their attacks and set the record straight. Thank you in advance for having Dan's back at this critical moment.
