## need to stay on the air

Steve,

Earlier this week, we launched a brand new ad that makes the stakes of this special election clear.

Far-right special interests are attacking me and trying to drown out our voices with a nearly \$4 million ad buy, but we're fighting back.

We want to make sure every voter in the 9th District sees our new ad, but keeping an ad on the air is expensive. That's why we're launching a 48-hour fundraising drive and coming directly to our top supporters like you for help.

**[Will you make a \\$3 donation to our campaign today? We'll invest it immediately in keeping our ad on the air.](#)**

A Koch brothers-backed super PAC, the Republican Congressional Leadership Fund, and the House Republicans' PAC all announced major ad buys this week. They are going to attack our campaign, and we cannot let their smears go unanswered.

The latest polling shows we are tied, and we have just a few weeks left to make sure every voter knows what's at stake here.

If you chip in to help us get out our message, then we can win this race in just a few weeks.

Thank you for standing with me in this fight. Your support means the world to me.

Dan
