Hey Steve,

We just released a new campaign ad. It's a powerful one, and now we need your donation to our 48-hour fundraising drive to help us keep it on the air. Let me quickly explain why:

The latest polling shows that our race is tied, and now with 40 days to go, the special interests are realizing that we can actually win.

Three national Republican groups just announced that they're going to dump nearly \$4 million into the 9th District. We cannot afford to let their attacks go unanswered. We need to set the record straight and make sure that every voter hears Dan's message.

Right now, that means keeping our ad on the air. Since Dan's not taking corporate PAC money, we count on grassroots supporters to power our campaign. This is where you come in:

[Will you make a \\$3 donation to our campaign right now? I would not ask if this was not so important.](#)

If enough people can step up before our fundraising drive ends tomorrow, then we can make sure our message reaches every voter in the 9th District.

If we do that, then we're going to win in 40 days.

Thanks, Steve!
