### (bump) falling short

**We wanted to make sure you saw Margaret's note about our fundraising drive to help keep our new ad on the air.**

**This morning, we were quite a bit behind on our goal, but since then, a bunch of supporters like you stepped up. Now we're almost there — close enough that you could be the one that pushes us over the finish line.**

**[Can we count on you to chip in \\$3 right now to close the gap? Three GOP groups just announced they're spending \\$4 million against us, so this is a critical moment for us.](#)**

**DONATE**

Hey Steve, it's Margaret, Dan's finance director.

I'll be direct: We're over halfway through our fundraising drive and we're short of where we need to be.

**[Can you make a \\$3 donation to help us close the gap? Falling short now would be a big problem for our campaign.](#)**

I've crunched the numbers, and here's where we stand on our goal:

**PROGRESS TOWARD GOAL:**

We're closing the books at midnight, and as you can see, we're short right now.

In the next few days, we're going to make some budget decisions, and it's my job to ensure that we've got the resources we'll need to compete. If we fall short, we may not be able to execute our full strategy in these final weeks.

**[Can we count on you to make a \\$3 donation to help close the gap, Steve? If enough people step up right now, then we'll get there.](#)**

We're so grateful for your support. When we win in a few weeks, it'll be

because our grassroots team stood with us every step of the way.

Margaret

Finance Director
