Hello Friends,

I just got back from a workshop at Harvard Business School with leaders from other urban school districts from across the country. I'm so excited to apply what I learned on behalf of our kids to make our schools the very best they can be. It's this desire to keep us moving forward that made me decide to run for re-election.

I want to use the lessons I've learned from workshops like the one at Harvard, and from my experience over the past four years, to continue benefiting our kids. But I need your help to do so. Please consider [making a contribution](#) to my campaign so I can continue to serve.

On another note, we have several events across the county coming up in August: meet and greets in [South Charlotte](#) (8/4) and [Huntersville](#) (8/9), and a coffee talk on the [West Side](#) (8/7). I want to connect with you and hear what's on your mind. I also want to share with you some of my plans for the future. Please join us at an event near you and invite your friends and neighbors to do the same.

I look forward to seeing you on the campaign trail!

Elyse
