The first votes have been cast. Help us make sure we have the resources to compete:

Steve -

We wanted to make sure you saw Colleen's note from Monday.

Absentee ballots are being cast, and voters in the 9th District will start going to the polls in 14 days for in-person early voting.

[Will you rush a \\$3 donation to our campaign today to make sure we have the resources we need to compete? We're in the final sprint of this special election, so it's never been more urgent.](#)

All our best,

Team McCready

Steve -

Something pretty exciting happened last week: the first votes were cast in our race.

People are already sending in absentee ballots to make their voices heard, and **in just 16 days, the polls will open for in-person early voting!** We expect a lot of people will take advantage of that and cast their ballots early.

That means we can't wait for Election Day. We need to make sure voters are hearing our message right now and get ready to start our full get out the vote effort.

Far-right special interests are dumping \$4 million in our district to try to drown us out, and we need your help to make sure we have the resources we need to compete.

[Will you make a \\$3 donation to our campaign right now? We'll invest it immediately in our fight to earn every vote we can in the 9th District.](#)

We're in the final sprint. Thanks for sticking with us and doing everything you can to help us flip this district.

Let's bring this home,

Colleen Martin
Campaign Manager

DONATE
