100 attack ads

Steve -

Three Republican groups have announced that they'll spend at least \$4 million against us on ads.

Here's the impact of that kind of spending: It's enough money for **every voter in the 9th District to see about 100 attack ads.**

That's outrageous.

The special interests think they can drown out our voices and buy this seat for our opponent. It's up to us to stop them.

[**Rush a \\$3 donation to our campaign today to help us fight back against the far-right's outside spending. Dan cannot do this without your support.**](#)

The polls show this race is tied right now. If we can get the resources to spread our message, even in the face of the special interests' attacks, then we'll win in just a few weeks.

Let's do this.
