### Deadline: 10 days

Steve -

We're 10 days away from two critical moments for our campaign: Our final FEC deadline before Election Day AND the first day of in-person early voting.

When that day gets here, the media is going to scrutinize our fundraising report and early vote turnout.

They're looking to see if we have the resources we need to compete. With the far-right special interests spending more than \$4 million against us, it won't be easy, but together we can do it.

We're counting on this grassroots team to have Dan's back. What do you say?

We've known all along that it was going to be a close race. Right now, the polls show we're tied.

That's why we need to do everything we can to prove that we have the momentum to win ahead of our fundraising deadline and the start of in-person early voting.

Thanks for helping us do it!
