Did you see Senator Warren's note?

Steve -

We wanted to make sure you saw Elizabeth Warren's message about our special election.

She understands how important this race is, and that's why she asked you directly to fight alongside Dan.

[Say you're with us in the trenches by making a \\$3 donation today. It will go a long way in our effort to flip this seat in 30 days.](#)

Elizabeth Warren's original note is below. Thank you again for your support.

- Team McCready

Steve -

Washington works great for the rich and powerful, while everyone else gets left behind.

It doesn't have to be this way. We can end Washington corruption and put power in the hands of the people.

Dan McCready understands this. That's why he's building a campaign powered by grassroots donors and is refusing to take a dime from corporate PACs. He won't be bought by the special interests that try to rig the system.

If he wins this special election, he'll fight as hard as he can to level the playing field for working people. He can win — as long as we get into this fight alongside him. That's why I'm asking:

[Will you chip in whatever you can to Dan McCready's campaign today? His election is right around the corner, and even \\$5 would make a big difference for a grassroots campaign like his.](#)

Dan McCready is a fighter. He defended our democracy overseas as a United States Marine. Last December, when historic election fraud was uncovered in his 2018 race, he jumped right back in the ring to make sure every voter's voice gets heard.

When a new election was called, he could've chosen to put his feet up and take

a break. Instead, he persisted.

He recognized that his fight is bigger than him or even one seat in Congress. It's a righteous fight. A chance to fight back against those who tried to undermine our democracy and attack the right to vote.

That's why we need to win this race, Steve, but Dan can't do it alone. He needs our support.

[If you can, please chip in whatever you can to help power Dan's grassroots campaign. Every donation — whether it's \\$5 or whatever you can afford — makes a difference in this special election.](#)

Thanks for being a part of this,

Elizabeth
