"Bishop invested in a platform that was a hangout for neo-Nazis"

Steve -

Dan Bishop has built his career by promoting hatred and bigotry.

He first rose to prominence as the architect of HB2, North Carolina's discriminatory bathroom bill.

Now the Washington Post is reporting:

"Days after Charlottesville, Bishop invested in a platform that was a hangout for neo-Nazis, touting his investment as a blow to 'political correctness.'"

We need to do everything we can in the next 28 days to make sure his bigoted, hateful agenda is not elevated to Congress.

[Will you make a \\$3 donation to our special election campaign to help us defeat Dan Bishop? We have a moral obligation to stop him.](#)

Flirting with white nationalism is not cute or funny. It is dangerous.

In solidarity,

Team McCready
