Dan Bishop is afraid of you. Yes you, Steve.

Over the weekend, he said that he needs the **\$4 million in outside spending** from national Republicans and far-right Super PACs because he has to **level the playing field against “the ActBlue firehose.”**

What’s the ActBlue firehose? He means you and the rest of this grassroots team.

He’s seen what we’re capable of, and he knows that together we can beat him. So let’s do it:

[Make your first \\$3 donation today and help us keep the “ActBlue firehose” turned on. We’ll put your contribution to work immediately in our effort to flip this seat.](#)

He’s admitting that he needs national Republicans and Super PACs to try to buy this race for him.

Apparently, he doesn’t have grassroots support, so he’s turned to Big Pharma and a Koch brothers-funded super PAC.

Now, they’re showing up for him in a big way — dumping millions into the 9th District on attack ads against our campaign.

We only have 27 days left to stop them, and we will so long as you have our back.

[Will you become part of the ActBlue firehose by making your first \\$3 donation to our campaign today? We’ll use it to put out Dan Bishop’s dumpster fire of special interest money.](#)

Thanks for helping us flip this seat,

Team McCready
