## Our opponent threatened to sue the media this week

Steve -

Yesterday's the Charlotte Observer summed up our opponent's history of discrimination pretty well:

**“He authored one of the most discriminatory, destructive laws in our state’s history. And now, he would like voters to think he didn’t know a web site he invested in catered to hate — despite citing an article then that said so.”**

Dan Bishop is doing everything he can to cover up and run away from his hateful, discriminatory record. He even went so far as threatening to sue media outlets this week.

His views have no place in Congress. That’s why it’s so important that we defeat him.

[\*\*Will you make a \\$3 donation today to help us win this special election? We would not ask if it wasn’t so important.\*\*](#)

Here’s what Bishop doesn’t want you to know:

He was the architect of HB2, the bathroom bill that cost North Carolina billions of dollars.

Days after the rally in Charlottesville, he invested in a social media platform known for catering to white supremacists.

He wants to take this same extreme, bigoted agenda to Washington.

We need leaders in Congress who will bring us together, not fuel the dangerous hate machines that are tearing America apart.

[\*\*If you can, please make a \\$3 donation to our campaign today. Election Day is less than a month away, so it’s never been more urgent.\*\*](#)

If we stand together, we can win this race and stop him.

Thank you,

Team McCready
