If we fall short

Steve -

Our final FEC deadline before Election Day is 5 days away, and right now, we're still facing a significant budget gap.

It's my job to make sure we have the resources that we need to compete against the nearly \$5 million that Republicans are spending against us.

If we fall short, we'll have to make serious spending decisions and adjust our strategy. We don't want to do that. We know that if we can execute our full strategy, then we can win this special election!

That's why our team just set an aggressive goal for this upcoming deadline, and to hit it, we need to generate as many individual donations as possible. So I need to ask for your help:

[Will you make a \\$3 donation to our campaign today? This is about more than just how much we raise, but also how many people are powering our grassroots campaign.](#)

We've got just 5 days to hit our goal, and if our grassroots team steps up now, then I know we can get there.

All my best,

Margaret Nelson
Finance Director
