Steve -

Earlier this week, we found out that Donald Trump Jr. is coming to North Carolina to raise massive money for our opponent. Now, we just heard that Karen Pence is coming to North Carolina to raise untold sums for our opponent too.

National Republicans are going all-in to try to buy this seat for our opponent, and we want to send a clear message that they're no match for our grassroots team.

Can you make a $3 donation to our campaign to help us fight back? We cannot let them drown us out with special interest money.

With national Republicans desperate to hold this seat, we have to be prepared for anything in these final weeks.

Steve -

We just found out that Donald Trump Jr. is coming to North Carolina.

Last month, President Trump held a rally in North Carolina where he attacked and lied about us, and now his son is coming to double down on their effort to prop up Dan Bishop's campaign.

Donald Trump Jr. is going to help my opponent raise thousands of dollars to spend against us.

Before he gets here, I want to send a powerful message about the strength of our grassroots campaign.

They may have millions in special interest money, but if you have our back, then we'll have the resources we need to win in just a few weeks.

Make a $3 donation right now to our special election campaign. We cannot let national Republicans drown out our voices.

My opponent is getting desperate. He knows we're tied in the polls, and now he's calling in national Republicans and Super PACs to prop up his campaign.

North Carolinians are rejecting Dan Bishop's extreme far-right agenda, and if we stick together and keep up our momentum, we'll defeat him in just a few weeks.

Let's do this!

Dan
