We're short

Steve -

On Friday, we set an ambitious goal for our final FEC deadline. Hitting the goal is important to make sure that we have the resources and grassroots momentum to compete.

But I just pulled the numbers this morning, and right now we're pacing behind where we need to be.

Here's where things stand right now:

PROGRESS TOWARD GOAL:

As you can see, we're short of where we need to be right now. There's still time to make up the difference and hit this goal, but we're going to need your help.

We need to generate as many individual donations as possible. That's the only way we'll be able to close this gap.

[Please make your first donation of whatever you can afford to help us hit our goal before tomorrow's deadline. It will go a long way in our efforts to flip this seat.](#)

The number of people chipping in is a critical part of this effort because it will send a powerful message about our grassroots strength.

Thanks for all you do,

Margaret Nelson
Finance Director
