We need to close the gap

Steve -

Tomorrow is our final FEC deadline before Election Day. When we shared our deadline goal with this team last week, there was a tremendous response that got us off to a strong start.

We were on track to hit our goal, but then the momentum started to slow down a bit. Now, we're a little behind where we expected to be right now. That's not great.

With outside special interests spending over \$4 million on attack ads against us, we cannot risk falling short now.

If enough people can step up right now, we'll get back on track and that'll help ensure we have the resources to compete in these final weeks.

[Will you make a \\$3 donation right now to help us close the gap before tomorrow's critical deadline? Our goal is to generate as many individual donations as possible. That's just as important to us as the amount we raise.](#)

When this grassroots team steps up, it all adds up in a major way, so thank you in advance.
