We missed our goal, so we're emailing for \$5

Steve — we're emailing for \$5.

Earlier this week, we missed our deadline goal by about \$18,000.

Now, we're trying to make up the difference, and since we've rejected all corporate PAC money, \$5 donations are critical to our campaign. It's people like you chipping in a few dollars at a time in response to emails like this that power our campaign.

The latest polling shows that this race is tied, and if we fall behind, we might have to make difficult budget decisions. We're not at that point yet, but we cannot leave anything to chance.

That's why we're asking:

[Will you donate \\$5 to our campaign today? With 18 days until Election Day, your support has never been more important.](#)

This special election is our chance to get justice for the people of the 9th District whose voices were stolen by Republican election fraud. We can prove that their special interest money is no match for our grassroots team — but only if we do this together.

Thank you for all you do,

Team McCready
