Steve -

Donald Trump is now personally fundraising for our opponent.

He just sent a fundraising email to his supporters that's raking in untold sums for Dan Bishop's campaign.

He's personally investing in this race because he knows we can win, and the national Republicans are desperate to stop us.

But unlike Dan Bishop, we're not turning to DC insiders and special interests. While they prop up his campaign, we're doing things differently.

We're building a grassroots team because we believe the people are more powerful. But that means we need your help in a critical moment like this.

[Can you make a \\$3 donation right now to help us flip this district? Republicans are pouring over \\$5 million into our district. Dan cannot do this alone.](#)

We knew this special election was going to be tough. But if we have the resources we need to get out our message, we can win this race in just a few weeks.
