Did you see Sam's note, Steve?

In-person early voting is in full swing, and our team is out doing GOTV in full force.

We've got just 15 days left in our special election to turn out as many voters as we can.

Chip in \$3 right now, and let's do this — together:

Steve -

In-person early voting started in the 9th District this past week, and thousands of votes have already been cast in our race.

We expect thousands more people to cast their ballots early, so we can't wait for Election Day. We have an enormous amount of work that needs to be done right now.

Our team is knocking doors every day in every corner of this district. We're making sure as many people as possible hear Dan's message and vote early. Now that our get-out-the-vote program has started in full, we need to keep it going for the next 16 days.

Our opponent is counting on multimillion-dollar TV buys from far-right special interests to buy this seat. Will you help us keep up our grassroots organizing, so we can stop that from happening?

[Make a \\$3 donation to our campaign right now, and we'll put it to work immediately making sure our volunteers have all of the supplies and support they need to get out the vote.](#)

This is the final sprint of our special election. If you stay in the fight with us, we are going to flip this district.

Thanks!

Sam Sterling
Field Director
