Steve -

Dan just wrapped up his debate with our opponent, and he crushed it. If you had the chance to watch, we hope he made you proud too.

It was clear that he is the only candidate in this race that will put the people first. He will fight for North Carolina's working families — not special interests or Big Pharma.

While Dan shared our positive vision and real, bipartisan plans to get things done, Dan Bishop could not defend his record of increasing health care costs and sponsoring North Carolina's infamous bathroom bill.

He failed to explain why he was the only legislator from either party to vote against a bill that would lower prescription drug costs. Instead, he admitted that he didn't even take the time to read the bill that was three pages long and shorter than "Green Eggs and Ham."

Dan Bishop has failed North Carolina, and it's our job to stop him.

We're going to do everything we can to turn out voters and win this race in 13 days, but we cannot do it without your support.

[Make a \\$3 donation to our campaign today to help us stop Dan Bishop. This is our chance to show that our country is better than his extreme and hateful agenda.](#)

This race will be close. Republicans are spending millions to try to stop us. But if you and the rest of our grassroots team are with us all the way, then we are going to win this race — together.
