Steve -

We've got the date. Donald Trump's rally in our district will be on September 9th – the night before Election Day.

Dan Bishop and his DC allies have called in Trump to do another rally in North Carolina because they're desperate. They know we can win, and now they are scrambling to prop up Dan Bishop's campaign.

They see that the grassroots momentum is on our side, and they're hoping they can fire up the far-right at the last minute. That's why Trump is increasing his baseless attacks on our campaign.

So before he gets here, let's make clear that they are no match for our grassroots team:

**[Make a \\$3 donation right now to send a message that we've got the momentum to win this race. Every contribution will go directly into our efforts to flip this district in 12 days.](#)**

Donald Trump is personally all-in to try to beat us, so we need to be ready for anything in the final stretch.

Donald Trump and Dan Bishop are going to stand side-by-side and attack our campaign again at this rally. We've seen this playbook before, but with your help, we'll be ready for whatever they throw our way.

Campaign Manager
