**All are welcome!**  
(But registration is required.)

Please join us for a free screening of the award-winning film **Resilience: The Biology of Stress & The Science of Hope**. Through a generous sponsorship by Bank of America we are able to share this informative documentary that chronicles

the work of pediatricians, therapists, educators and communities using cutting-edge brain science to disrupt cycles of violence, addiction and disease.

The film is one hour and will be followed by a moderated panel discussion. The panel will be announced closer to the event date.

**Tickets are free, but registration is required.**

*The Charlotte Resilience Project has assisted in screenings throughout the community with the help of their partners — John M Belk Endowment, Foundation for the Carolinas, Eric & Lori Sklut, Charlotte AHEC, The Winer Family Foundation, Mitchell's Fund, and us, Council for Children's Rights — to spread awareness of ACEs and toxic stress.*
