POLLING UPDATE: DEAD HEAT

Steve -

We just got word that three new polls show this race within the margin of error.

This race is a dead heat and there's a good chance it comes down to a few hundred votes, just like last time.

Here's the thing: the far-right super PACs are looking at this polling too, and they're likely to dump even more money into our district. And in the final few days, that could be decisive.

So we have to be ready. And Dan needs your help. Because he can't win this election alone.

[Please rush a \\$3 donation to our special election campaign right now. Every dollar will be immediately invested in our get out the vote effort.](#)

This tells us what we've known from the start — we have a real chance to win this thing. But at the end of the day, the only poll that's going to matter is what happens on Election Day.

We need to stick together and capitalize on our momentum. That's how we are going to win in 9 days.
