Steve -

A week from now, Donald Trump will hold a rally with our opponent. He's coming down the night before our election to try to save Dan Bishop at the last minute.

Trump won this district by nearly 12 points, and now they're terrified that we're going to win.

We know exactly what will go down at their rally: more lies, more attacks, and more hate.

But with the polls showing our race is in a dead heat, we cannot wait until the attacks start to fight back.

**[Make a \\$3 donation right now, and we'll put it to work immediately making sure voters hear our message and get to the polls.](#)**

If we all push harder than ever before in these final 8 days, then we are gonna reject their hateful politics and show the whole country what the people can do.

Let's win!

Dan
