Our race was just rated a "TOSS-UP." We need to capitalize on our momentum:

Steve -

Big news: Sabato's Crystal Ball just moved our race from "Leans Republican" to "Toss-up."

The latest data suggests that the race will be close, but this move shows that the momentum is on our side.

We need to capitalize on this momentum right now:

[Make a \\$3 donation to our campaign right now, and we'll put it to work immediately turning out the voters we need to get across the finish line.](#)

Every major elections forecaster now has our race rated as a toss-up, and every single poll shows us within the margin of error.

Last time around, our race came down to 905 votes despite our opponent's cheating. Now, we expect this race to come down to just hundreds of votes again.

We cannot leave anything to chance.

We're going to work tirelessly for the next 5 days to make sure as many voters hear our message and get to the polls. But we need your help to make it happen:

[Will you rush a \\$3 donation to our campaign right now? In a close race like this, every dollar goes a long way.](#)

Thank you in advance for chipping in. The support we receive right now is critical and will be decisive on Election Day this Tuesday.

- Dan
