Steve -

Let me start with the good news:

Our strategy is working. We've built a massive grassroots team to power this campaign. We've got far more people chipping in and knocking doors for our campaign than our opponent. That's amazing!

It's showing up in the polling too. Some have us a little up, some have us a little down — *every single poll shows us within the margin of error.*

But here's the really bad news:

Donald Trump and DC Republicans are willing to spend and say anything to try to stop us.

Far-right PACs have increased their spending to more than \$6 million — almost all of it to fund false attacks on Dan.

And now Donald Trump is coming in at the last minute for a hate-filled rally to prop up our opponent. They are desperately trying to turn out voters the night before our election.

This is not good. But if this grassroots team steps up right now, we can make sure Republicans' attempt to buy this seat FAILS.

[Steve, I need you to rush a \\$3 donation to our campaign today. If we don't have the resources to fight back, then I'm afraid we'll come up short on Election Day.](#)

We're up against the entire Republican establishment here. The only way we can win this race is if all of us push harder than ever before in this final stretch.

Thank you for stepping up,

- Colleen Martin
Campaign Manager
