**Dan needs us to fight back against these false attacks.**

Steve -

National Republicans are desperately trying to prop up Dan Bishop's campaign.

Their Super PACs are spending millions on false attack ads against Dan, and Donald Trump is doing everything he can to try to stop us.

Yesterday, we found out that Trump's campaign gave the maximum possible contribution to Dan Bishop's campaign. Donald Trump is even personally fundraising for him — asking his own donors to send money to Dan Bishop's campaign at the last minute.

Trump and his campaign are taking their false attacks on our campaign to the next level as well. They've called Dan — the only veteran in this race — weak on veterans issues. And just this week, they called Dan a "dangerous socialist."

They've resorted to false attacks because they know that there is no way to defend Dan Bishop's hateful and extreme record.

And now on Monday, Trump is coming to our district to hold a rally with our opponent. That rally is going to be filled with more lies, hate, and attacks.

We cannot let all of these attacks go unanswered. So we need our grassroots team to help us fight back right now — before Trump gets here.

[Rush a \\$3 donation to our campaign right now. It will send a powerful message about our grassroots momentum, and we'll put it to work immediately turning out more of our voters.](#)

Their strategy is the same old playbook that lost them the House majority last year. This is our chance to make sure they keep losing.

If we finish what we started — together — then we are going to win on Tuesday.
