I'm writing to ask you to make a donation today to make sure we win this special election.

Hey Steve -

I wanted to send you a short note before a full day out on the trail campaigning and turning out voters!

I'm so proud of everything our grassroots team has accomplished already.

With your help, we've brought this race to within the margin of error in every poll. In a district that Donald Trump won by nearly 12 points, we expect just a few hundred votes will decide what happens on Election Day.

I started this race 27 months ago when I felt a calling to serve our country. Now I need your help to finish what we started.

Can you make a \$3 donation to our campaign today? We'll invest it immediately in turning out the voters we need to win on Tuesday. Use this link:

We're so close, and if you hang with us across the finish line, then we are going to win this special election.

- Dan
