Republicans just dumped another \$500,000 into our district

Steve -

Donald Trump's allies just announced they're spending an additional \$500,000 against us.

They're dumping money in at the last minute because they're desperate to try to stop us.

They're doing this because they know that we can win. Every poll shows us within the margin of error, and the momentum is on our side.

We can't let off the gas now. We have to push harder than ever before in these final few days.

The only way we can win is if we do this together. Can Dan count on you?

[Make a \\$3 donation right now to help us fight back against Republicans' last-minute spending. This is important.](#)

All of the data shows that we can flip this district, and if you stick with us in the home stretch, we will!
