Steve -

The Charlotte Observer just reported that the outside spending in our race is record-breaking.

“Only one House special election in U.S. history has seen more outside spending than North Carolina’s 9th Congressional District...”

Even worse: The overwhelming majority of that money is being spent against us.

[Steve, we cannot let them drown out our message. Rush a \\$3 donation to our campaign right now to help turn out the voters we need to win on Tuesday.](#)

Look, DC Republicans and special interests are spending and saying whatever it takes to prop up our opponent’s campaign.

They know that this race is statistically tied, and now, they are desperate to stop our grassroots momentum. That’s why they’re spending a record-breaking amount of money to try to stop us.

It’s all of us on this grassroots team against the corrupt insiders who want to buy this seat.

This record-breaking spending is not good, but we still have time to fight back. Let’s show them what the people can do:

[Make a \\$3 donation right now, and we’ll invest it immediately in making sure voters hear Dan’s message and turn out to vote.](#)

Dan cannot do this alone. Keep fighting alongside us, and in two days, we will flip the 9th District!
