Steve -

This fight is so much bigger than one seat in Congress. It's about standing up to a culture of corruption that is eating away at the very heart of our democracy.

Our special election is happening because corrupt Republicans funded and perpetrated the biggest case of election fraud in modern American history.

Now we have a chance to send a message: to those who stole voters' absentee ballots and then turned a blind eye, to those who drew racist district lines to stay in power, to those who spend unlimited sums to rig our democracy: your time has come.

**In two days, we can say together: the culture of corruption that's broken our politics is over.**

[Will you make a \\$3 donation to our campaign right now? We'll invest it immediately in turning out our voters and making sure the people's voices are heard on Tuesday.](#)

It's not going to be easy. Far-right super PACs are spending millions on ads attacking me to try to stop us.

They are desperate to buy this seat for my opponent and keep our corrupt system rigged in their favor.

But every poll shows this race within the margin of error, and if you help sustain our grassroots momentum, then we are gonna win.

It's time to finish what we started:

[Make a \\$3 donation to our campaign right now. I'm not taking a dime of corporate PAC money, so I'm counting on this grassroots team to step up right now to make sure we win this race.](#)

Thank you for being a part of our fight. This race is going to come down to just a few hundred votes. Tuesday is the big day. Every dollar, every phone call and every door knock matters.

Yours in this fight,

Dan
