We need you to make a donation before tonight's Trump rally

Steve -

Donald Trump's rally with our opponent is about to start, and the attacks on Dan and our campaign will quickly follow.

Whatever they say about us, know this: It's because national Republicans are desperate and terrified that we are going to beat them.

They have seen the power of our grassroots team. They see that we're tied in the polls, and this is just a last-ditch effort to try to stop us.

So here's what we are going to do: We need to respond to their lies and hate by pushing harder than we have in these final hours and turning out as many of our voters as we can.

It's up to all of us whether we claim victory tomorrow night or come up short because the only way we can win is if we do this together.

Dan is ready to bring this thing home, but he needs everyone on our grassroots team to dig deep and help push us over the finish line.

[Make a \\$3 donation ahead of Trump's rally to help us turn out the voters we need to win tomorrow. Time is running out in our special election, and Dan cannot do this alone.](#)

Thank you in advance for chipping in. This race will be decided by just hundreds of votes, so every dollar matters.

Time to leave it all on the field!
