## Donald Trump's rally is full of lies and hate

Steve -

Here they go again. Donald Trump's rally is underway, and he and Dan Bishop have already started launching false attacks against me.

They were in lock-step — lying about where I stand on the issues.

Look, he's here to try to prop up my opponent Dan Bishop at the last minute because he knows that this race is in a dead heat.

But if we all pour our hearts into this race in these final hours, then we are gonna win.

**[Make a \\$3 donation right now to help us win and send a shock wave across this country. Every dollar will go directly into turning out the voters we need to win.](#)**

The lies and hate at this rally are still coming.

But maybe someone should remind the president of a few things.

Only one person has carried an M-16 in Iraq while serving our country, and only one of us started a business that helped create hundreds of good-paying jobs without filing for bankruptcy or stiffing an employee.

We're going to respond to their hate and lies the best way we know how: By turning out as many voters as we can and winning this race.

Help me finish what we started:

**[Make a \\$3 donation right now, and we'll invest it immediately in turning out the voters we need to win. This race is going to be decided by just a small number of votes, so every dollar will be decisive when the ballots are counted tomorrow.](#)**

Thank you so much for hanging with me and pouring everything you can into our race. If we leave everything on the field, then together we are going to win this race.

Let's do this!

Dan
