## I can't sleep

I have been sending out this election eve e-mail since 2009.

The truth of the matter is I really can't sleep the night before an election. Too much on my mind.

I miss Don Baker and I riding around and putting campaign signs out.

This year I will miss the post election analysis with Dwayne Collins.

At 52 the list of folks I miss seem to keep getting longer.

So, as they seem to leave me here and God seems to take them there, I best continue to live my life like it matters.

District 2 needs a representative that will show up for the people, that will vote for the people and that will work hard for the people.

From Anthony Foxx in 2009, wanting him to be our youngest African-American Mayor, to 2017 wanting Vi Lyles to avoid a Primary Run Off and become the 1st African American Female Mayor; I believe in people and then I give my all to will them to a win.

Then there's my work ethic, I will stay up late and get up early because I know they will stay up late and get up early for the people. I will demand they do and hold them accountable when they don't.

So here I am again, humbly asking you to please give Jessica Davis a chance to join a list of elected officials I have been humbled to work hard for.

**TODAY, Tuesday, Sept. 10th - The polls will be open from 6:30 a.m. – 7:30 p.m.**

I have lived in District 2 since 2000 as a homeowner in the Wesley Heights community. My son has been born in District 2, raised in District 2 and gone to elementary school in District 2. He has gotten his haircut in District 2 and by God's grace he will go to HS in District 2. (#DubC shout out insert here. 😊 )

Bobby and I voted for Jessica Davis for our new Charlotte City Council District 2 representative during Early Vote.

**EARLY VOTE HAS ENDED! YOU MUST NOW VOTE AT YOUR PRECINCT!**

**[For polling locations, please visit the Mecklenburg County Board of Elections website.](#)**

May I again humbly ask you to please vote for Jessica Davis for the new Charlotte City Council District 2 representative? **#DavisForDistrict2 #ItsTime *Please give her a chance to represent US!***
