### If you can afford to, chip in right now, and we'll invest it immediately in digital ads to reach our voters.

There are thousands of Democrats in NC-09 that don't know our election is today, but if they hear from us, we can turn them out! These voters could help decide whether or not we win tonight. If you can afford to, chip in \$3 right now, and we'll invest it immediately in digital ads to reach these voters.

Hey Steve -

I'm reaching out quickly to ask for some last-minute help turning out voters.

Special elections always come down to turnout, and that's especially true in a close race like ours. We expect a small number of votes will decide the outcome of the race tonight.

That means finding every way we can to turn out every possible voter will matter, and here's the bad news: There are thousands of Democrats in the 9th District who could vote right now but don't even know there's an election happening.

So we're trying to reach these voters ASAP. Here's the plan: We're making critical investments right now in digital ads that we can target directly to these voters who need to hear from us.

But we need your help to scale and keep them going all the way until polls close.

**[Can you rush a \\$3 donation to our campaign right now? We'll put it to work immediately turning out Democratic voters with targeted digital ads.](#)**

Thanks in advance for chipping in.

Just hours to go!
