Hello Friends,

CMS is growing by leaps and bounds. We have to be smart about that growth. That's why I worked so hard with my fellow board members and staff to develop the 2024 Strategic Plan.

The plan has three goals. Every student:

1. Graduates with meaningful employment or higher education opportunities.
2. Has access to a rich, diverse and rigorous curriculum.
3. Is provided with social and emotional support.

These goals are important for our children and our community. In order to lead the implementation of this plan I need to be re-elected. [Please consider contributing to my campaign](#) - your contribution will help us tell as many voters as possible about the strategic plan, and why I want to be there to carry out the work.

Thanks so much for your support. It means the world to me, and to our kids.

Thanks,

Elyse
