Subject: **CMS Title I Superintendent's Parent Advisory Council - 10-17-19**

Dear Public School Education Leaders:

Please see the attached flyer(s); and if possible, please plan to promote and attend the first of many District Title I Parent Advisory Council meetings in Charlotte-Mecklenburg County.

Over the course of the past year, the Title I Department along with the Family Engagement Department of CMS; have worked with family advocates, school members, parent leadership programs, and community organizations to create and establish a connected community in public education.

Based on much of the feedback from many of you, the community, those who have worked every day on behalf of students and their families; and a federal, state, and local level, we have planned and scheduled the first Parent Advisory Council meeting to be held **2019 from 6-8 pm at Marie G. Davis IB Academy.**

The shared responsibilities of a Title I District Parent Advisory Council (DPAAC) include:

- To assist in the planning, implementation, and evaluation of various components

program within the school district.

- To provide parental input on educational opportunities for Title I children.
- To act as a link between the DPAC and the schools.

The commitment to this council is to build **connection and community** around education. We will meet 4 times within the year and are charged with creating and Family Engagement; as well as building parent and community networks in Schools.

Below is the link that you may also send to potential parents of Title I School council as well.
