Manage Folders...

Hello Friends,

Last year, an executive in the apartment industry reached out to me. She reported a shortage of apartment leasing agents. I put her in touch with our CMS Career Technical Education staff. By the next semester, we had a career-readiness program that taught students how to succeed as certified leasing agents. These students will leave high school trained and ready for a good-paying job.

Our focus on preparing students for good-paying jobs straight out of high school is paying off. Last year almost 6000 students earned 8594 job certifications. I want to stay on the school board and continue my leadership in this area so that even more of our students are graduating with the skills and connections to be successful in the workforce.

Early voting is happening now, and it's all hands on deck. We need to be able to print literature to supply poll volunteers with along with stickers and bottled water.
[Please consider contributing \\$25, \\$50, \\$100, or whatever you can so we can spread the word about the work that I'm doing to help set our kids up for career success.](#)

Thanks,

Elyse
