CMS Has Divided the County Against Itself

Queen 4 School Justice, under the law, needs your help.

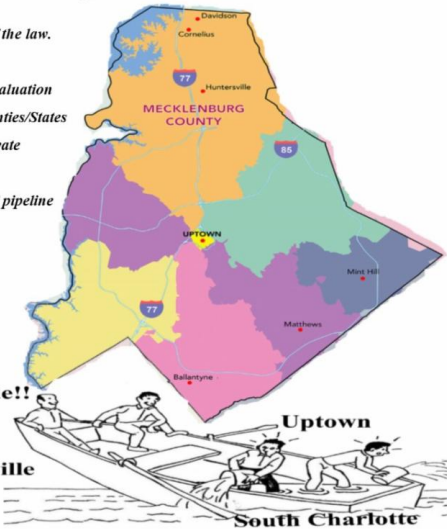

I need your help to stand for children and public education on November 5.

The CMS labeling of communities as failing and low performing has sent residents running to the suburbs and out of the county trying to find Quality Schools and Neighborhoods to live and raise their families. Public Education is well on its way to being dismantled by big business for-profit organizations.

View the illustration below to see some of the results of the CMS practices and practices

Mecklenburg County
“A House Divided Against Itself”

- __ Separate and unequal schools in violations of the law.
- __ Failed Workforce Preparedness
- __ Disparate and unjust Property Taxes and Devaluation
- __ Divided, pushing families to neighboring counties/States
- __ Dismantling Public Education, moving to private for-profit education systems.
- __ Increased crime creating a “school to prison” pipeline making Mecklenburg unsafe.

The Mecklenburg County’s Choice

The Mecklenburg County's Choice

Working together to:

*Dismantle failing schools, failing neighborhoods,
Fix our schools through course mastery and
human development.*

*Working together to make every community desirable
with equal access to an education and
quality of life.*

*Stabilize property values, housing and the economy
working together not apart.*

Make Mecklenburg County a place where we all win.
