Queen 4 School Justice, under the law, needs your help.

#### I need your help to stand for children and public education on November 5.

The CMS labeling of communities as failing and low performing has sent residents running to the suburbs and out of the county trying to find Quality Schools and Neighborhoods to live and raise their families. Public Education is well on its way to being dismantled by big business for-profit organizations.

- Separate and unequal schools in violations of the law.
- Failed Workforce Preparedness
- Disparate and unjust Property Taxes and Devaluation
- Divided, pushing families to neighboring counties/States
- Dismantling Public Education, moving to private for-profit education systems.
- Increased crime creating a "school to prison" pipeline making Mecklenburg unsafe.

So Glad it's not sinking on our side!!

Make Mecklenburg County a place where we all win.
