Grow Your Reader

A CHILD'S SUCCESS STARTS AT HOME.

These extra chilly temperatures make it a little easier to believe the HOLIDAYS are already upon us. Add literacy to your gift idea list this year. Believe it or not, kids can adore educational gifts!

Children are curious about their world and playing is the best way for them to learn!

ABC puzzles, ABC magnets and sidewalk chalk are all great gifts for kids to play with and see letters all around them.

MAKE A GAME OF IT

Kids love games and quality time with YOU. There are great letter games out there that offer a variety of ways to play depending on a child's age or skill level. This is the perfect gift for that 3 or 4 year old in your life.
