Together we can take back the State Treasurer seat!

Dear Friends and Supporters,

Our political system has been hijacked to work for the super rich and powerful. It is so difficult for pioneers who put people first to make it through the political door. We must take up arms and burst through!

The founding fathers did not intend for our democracy to be led by the elite. Individuals looking to make a difference in public office who come from a middle class background must gather all their resources to prepare to battle those who have the wealth and connections to influence voting outcomes to their advantage.

I am asking you to pick up your swords (wallets and purses) to join the fight and not let pedigrees and inherited wealth win over sweat, tears and votes!

Can we count on you to contribute \$50, \$100, or \$150 today?

Timing is Everything!

Please donate NOW. Early money is very helpful to our fundraising going forward. Thank you in advance! Remember...

Keep it Simple, Vote for Dimple!

Sincerely,
