FOR IMMEDIATE RELEASE

The League of Women Voters Charlotte Mecklenburg welcomes Dr. Diane Schneider, co-president of the Charlotte branch of American Association of University Women (and a LWVCM member) to our League Talk on January 21, 2020. Dr. Schneider will lead a discussion about the gender pay gap, the biggest effect on the economic status of women. Diane's talk will be based on the extensive research about the gender gap which AAUW has concentrated on for several years.

She has taught grades K-12 in both the regular classroom and programs for special needs students. She served as AAUW NC branch president from 2009-2013. Diane is now an education consultant and tutor in the greater Charlotte area.
