Ajmera for NC Treasurer

With Your Help We can Take Back the NC Treasurer seat!

Dear Friends and Supporters,

With **Early Voting only 30 days away**, I 'm asking for your financial support to help get my message to voters.

Many people don't realize the importance of the office of State Treasurer who manages (as the sole trustee) North Carolina's \$100 billion pension fund and oversees all state and local bonds. We should stop investing in companies that pollute our environment and invest our considerable resources in sustainable infrastructure to prepare for the new economy. We can invest wisely in our state and region while still being fiscally prudent and ensure long term growth.

As chair of the City Council's Environment Committee, I championed the adoption of the Strategic Energy Action Plan (SEAP) – the city's first framework to transition to a low carbon future with bipartisan support. To help ensure economic and environmental sustainability for future generations, can you contribute \$50, \$100, or \$150 today? Click
