2020: BIG NEEDS!

There has been an increase in:

- CMS middle school students who do not have access to Out of School Time programs;
- the number of high school students who are homeless or living in shelters;
- adolescent mental health issues; and
- the number of young people facing obstacles that limit their access to opportunity.

2020: BIG DREAMS!

This year MeckEd will:

- partner with **Charlotte Works and Young Black Leaders Association (YBLA)** to provide Career Pathways participants with "near-peer" coaches;
- provide more and varied enrichment, mentoring, and tutoring opportunities on the Locator;
- provide over 130 internships to young people who face obstacles that limit their access to opportunity;
- provide over 2,000 CMS high school students with over 400 college and career Readiness experiences;
- operationalize our growing cadre of "Life Navigators" in support of clear and multiple paths to success;
- engage MeckEd's Student Advisory Board to gather input on ways to maximize the impact of MeckEd's programs and services;

• increase the number and quality of Out of School Time enrichment

- programs focused on middle school students attending Title 1 CMS middle schools;
- maintain a 100% high school graduation rate and support with enrollment into post-secondary certification and/or college programs; and
 - map all available College and Career programs and services in order to increase alignment, coordination, and maximize collective impact.

Your MeckEd Team, and the students we serve, are grateful for your continued support.

BIG TIME.
