I share my story and my vision for the office of Treasurer in this 3 minute video.

**... But Our Democracy is at Risk."**

[Click here to share the video above.](#)

Many people are not aware what the office of our State Treasurer does. As a Council of State member and sole trustee of the NC \$100 billion dollar pension fund, the State Treasurer has an important role in making wise investments of taxpayers' money that can benefit all sectors of our state.

The Treasurer can help educate voters and legislators about the long term implications of legislative budget decisions and advocate for fiscally and morally wise policies such as Medicaid Expansion. By adding a progressive Democrat to our Council of State, I will have Governor Cooper's back on spending and tax policy.

*Only 25 days until Early Voting...*

I respectfully ask for your vote.
