"I was not born into a rich or powerful family..."

I share my story and my vision for the office of Treasurer in this 3 minute video. ***...but with Persistence and Support I became a Fighter!***

"I literally went from cleaning hotel rooms to pay for college to managing multi-million dollar budgets. When my father died suddenly at the age of 55, I re-evaluated my path in life. I felt it important to promote my father's values and use my skills for public service. I left a lucrative career in finance to serve on City Council. And I look forward to serving as North Carolina's State Treasurer.

"A second-term City Council At Large representative, I ran - and won - my race on a proven record of achievements that include Affordable Healthcare for our city employees, Public Safety, Affordable Housing, the Environment, Women's Equality, Economic Development, and Infrastructure. *I will champion progress and investments in these issues to benefit all North Carolinians. But I need your support!*"

Can you make a contribution of \$20 to \$2020 to support our campaign today?
Only 3 weeks until Early Voting!

Thank you!
